

I just wanted to tell you what a great feeling it was for me to participate in this event. I have done other long distance rides for other charities and I have never been so impressed and so moved by the spirit, goodwill, good humor, and the cooperation of everyone involved. Having a chance to meet a real Angel is a once in a lifetime experience. Best regards,  
L. (Rider)

It was a great experience. It's clear that all of you put in a tremendous amount of time and effort to make it a great experience for the riders. I appreciate it and will continue to support your efforts. I am looking forward to returning next year. Thank you again.

Day 1  
80 miles

Day 2  
50 miles

I'm writing to thank you. I could not imagine how thankful these families are because of you. Although I have to say that course was challenging, but when it got hard for me, I thought to myself how bad can this be. I could not even imagine what those children with cancer are going through. Not only did I help the children, I showed myself how strong I am and that I can accomplish anything that I put my heart too.  
Shelby (Rider)

Cannot emphasize enough how much fun I had last weekend and how moved I was by the spirit of the riders, the other volunteers and the HITWGC staff. Thanks for letting me be a part of it, and you can definitely count me in for next year!!  
All my best,  
Hannah (Moto Safety Crew)

## The Angel Charitable Trust

Started in 2003, the trust was established to assist financially needy families who have children with cancer and other life threatening diseases and underwrite "Camp in a Suitcase," a hospital outreach program connecting kids with Camp from their hospital beds, administered by the Hole in the Wall Gang Camp.

Come join us for two days of wonderful riding and a warm reception by the children and staff of the HOLE IN THE WALL GANG Camp team and make a real difference in a child's life.

## The Hole in The Wall Gang Camp

The Hole in the Wall Gang Camp, founded by Paul Newman in 1988, is a non-profit residential summer camp and year-round center designed to serve children and families coping with cancer and other life-threatening illnesses. Each summer more than one thousand children between the ages of seven and fifteen from across the country and abroad attend free of charge.

The Hole in the Wall Gang Camp offers programs in the off-season for campers, their families and healthcare professionals. In addition, the Camp provides support to other camps with a similar mission.

Powered by Kids!

100% of Rider donations and proceeds will sponsor "Camp in a Suitcase," connecting children with cancer and other life-threatening diseases with the magic of the summer camp experience through hospital bedside activities.

### The Ride

Join the only charity ride across Connecticut!  
**Two Day Ride:** Saturday/Sunday, May 29th-30th, 2010

to Mystic through some of Connecticut's most  
beautiful rural towns. On Saturday night, stay at  
The HOLE IN THE WALL GANG Camp that serves  
children with cancer and life-threatening illnesses.  
Help a child, during their most intense periods of  
treatment, experience the magic of "Camp."

**One Day Ride:** Sunday, May 30th, 2010  
Starting at the Hole in the Wall Gang Camp in  
Ashford, the second day includes fabulous riding  
through Connecticut farmland to beautiful Mystic  
Village on Long Island Sound. Both rides include  
periodic rest stops, lunch stops, food and accommo-  
dations Saturday night (two day ride only),  
motorcycle escort, bicycle repair facilities and  
closing ceremonies.

This fourth year the ride will be limited to 200

a very memorable weekend of riding for kids who  
need your help.

with the magic of summer camp through hospital  
bedside "Camp" activities.

In 2005, Angel Charitable trust met it's goal of  
raising \$175,000, which will help over 150 of these  
brave children. In 2010 the goal is \$400,000,
